

Ledinaire panel EcoSet

EXT2010 OCC DL PIR AC Sensor RS WH ESW

Ledinaire panel EcoSet, Accessory

The Philips Ledinaire panel EcoSet (RC075) introduces a unique plug-and-play wireless solution. This LED lighting panel offers an easy way to unlock more energy savings and enables simple automated lighting in offices or schools. Our latest innovation enables our LED lighting panels to work with an external AC-powered PIR sensor to detect motion and daylight. These additional external lighting sensors trigger automated dimming of the luminaire. Setup is simple with the remote, so your lights are ready in no time. Use predefined dim levels or configure them easily via integrated dipswitches. An optional wall switch is available as an accessory for manual control—just in case you need it!

Product data

General Information		Material	
Accessory color	White	Polycarbonate	
Value ladder	Value	Approval and Application	
CE mark	CE mark	Ingress protection code	IP20 [Finger-protected]
Operating and Electrical		Mech. impact protection code	IK02 [0.2 J standard]
Input Voltage	220/240 V	Protection class IEC	Safety class II
Line Frequency	0/50/60 Hz	Product Data	
Mechanical and Housing		Order product name	EXT2010 OCC DL PIR AC Sensor RS WH ESW
Overall height	48 mm	Full product name	EXT2010 OCC DL PIR AC Sensor RS WH ESW
Overall diameter	94 mm	Full product code	872016973416699
		Order code	911401562943
		Material Nr. (12NC)	911401562943
